Day-1 Pilot Quick Reference Checklist for Researchers

What you need to do in My Research

☐ Log in to MyResearch to start your Application in MyResearch

☐ Locate and select the round you want to apply for:

"MRFF Genomics Health Futures" - Round activated 12 January 2026

"Fight MND" - Round activated 12 January 2026

"ARC Linkage" - Round activated 15 January 2026

☐ Complete and Submit your Application in MyResearch *(FAC)*

☐ Attend one of the Pilot Briefing Sessions

Pilot Briefing Session Monday 12 January 2026

Pilot Briefing Session Wednesday 14 January 2026

☐ Enter the ARC Linkage ID in your MyResearch Application (if applicable) to save time

☐ When your application is ready for review, email the Research Office with subject - I am ready for review. Do not attach the application (FAC).

Key things to know

✔ FAC is replaced by the system-based MyResearch Application

✔ Any UQ staff member with a current UQ staff email address can help prepare an application in MyResearch.

✔ Students can't prepare or submit applications on your behalf

✔ The Lead CI must be a UQ staff member to submit the application.

✔ HoU and HoU Advisors will receive a notification to review your application

✔ You can ask Local Research Support and the Research Office for help with your funding application at any time

✔ You can ask the MyResearch team for help with the system at any time
